

Online Course Login and Access Instructions

Welcome to the Aquaponic Farm Online Courses

To access your course(s) you must be logged into the website

- 1) Go to <https://www.theaquaponicsource.com/>
- 2) In the top right corner you will see a box labeled MY ACCOUNT. If you hover over it, you can enter your username and password in the drop down fields. If you click on it a new page will appear that looks like this.

The screenshot shows the top navigation bar with links: Catalog Download, Blog, Course Calendar, Calculators, and My Account. Below the navigation is the website logo and a main menu with links: Home, Systems, Portfolio, Services, Classes, Shop, Resources, About, Contact, a shopping cart icon, and a search icon. The main content area features two side-by-side forms. The 'Login' form on the left has fields for 'Username or email address *' and 'Password *', a 'LOG IN' button, a 'Remember me' checkbox, and a 'Lost your password?' link. The 'Register' form on the right has an 'Email address *' field, a note that a password will be sent to the email, a privacy policy notice, and a 'REGISTER' button.

- 3) Enter your username or email address and password. Your email address will be the one you used to purchase the course. If you have trouble with your password please click the LOST YOUR PASSWORD link to generate a new password. Click CONTACT if you have any problems.

- 4) Once you have logged in you will see the following account dashboard screen. This can be accessed anytime by clicking MY ACCOUNT in the top right corner

The screenshot shows the user account dashboard for 'JD Sawyer'. At the top, there is a navigation bar with links for Catalog Download, Blog, Course Calendar, Calculators, and My Account. Below this is the website logo and a main navigation menu with links for Home, Systems, Portfolio, Services, Classes, Shop, Resources, About, and Contact. A user greeting bar displays 'Hello JD Sawyer (not JD Sawyer? Sign Out)', a customer service contact number (855.285.4252), an email address (info@theaquaponicsource.com), and a 'VIEW CART' button. The dashboard itself has a sub-menu with links for Dashboard, Orders, Downloads, Addresses, Payment methods, Account details, Courses, and Logout. The main content area is titled 'Dashboard' and includes a greeting and a brief overview of the dashboard's functionality.

- 5) To access your available courses click the COURSES link. This can also be accessed from the My Account drop down menu in the upper right corner of the website. When you click on COURSES you will see a list of all courses you are currently registered in.

The screenshot shows the 'My Courses' page. At the top, there is a navigation bar with links for Dashboard, Orders, Downloads, Addresses, Payment methods, Account details, Courses, and Logout. The main content area is titled 'My Courses' and contains a table with the following data:

Course	Progress	Overall Grade
▶ Aquaponic Farm Design	5%	N/A
▶ Aquaponic Food and Farm Safety	0%	N/A
▶ Aquaponic System Components	0%	N/A
▶ Aquaponic Water Quality and Bacteria Basics	0%	N/A
▶ Farm Financial Planning	3%	N/A
▶ Fish Health and Management	0%	N/A
▶ Marketing and Sales	0%	N/A
▶ Personal and Business Planning	0%	N/A
▶ Plant Selection and Management	0%	N/A
▶ Site, Building and Environmental Controls	0%	N/A

- 6) Click on any green course link to access the course modules and units. A green circle with a check will appear to show any units that have been previously been completed.

My Courses

Course	Progress	Overall Grade
▼ Aquaponic Farm Design	<div style="width: 5%;"></div> 5%	N/A
Module 1	Introduction and Learning Objectives	
Unit 1	Introduction and Planning Considerations	✓
Unit 2	Things that influence Production and Profit	○
Module 2	Feeding and Design Principles	
Unit 1	Principles and Research	○
Unit 2	DWC Layout Plan	○
Unit 3	Estimating production	○
Module 3	Design Calculations	
Unit 1	Feed and Fish Production	○
Unit 2	Staggered Stocking Method	○
Unit 3	Fish Tank Flow Rates	○

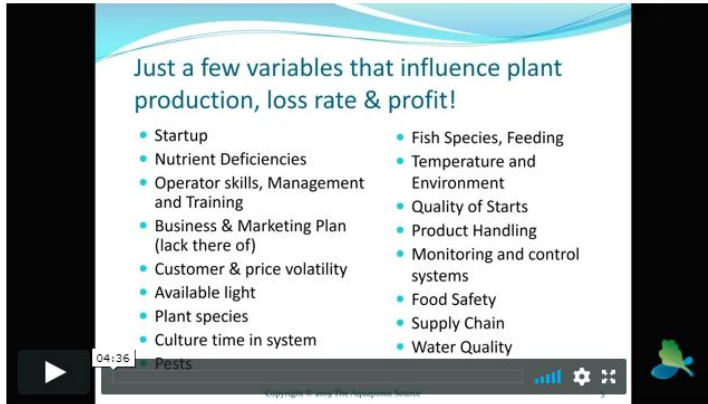

- 7) Click on a specific unit highlighted in green to access that unit and start the training. Units can have both videos and links for downloadable resources.

Introduction and Planning Considerations

8) Once you have completed the video you can click the MARK AS COMPLETED button. To move to the next unit click the NEXT UNIT button. You can always go back and view units by clicking on the PREVIOUS UNIT button or selecting the unit from the course menu

Things that influence Production and Profit

Have you completed this unit? Then mark this unit as completed.
